DAVARA PONDS ★
Democrat Candidate for **SHERIFF**

As your Sheriff, my pledge to is to be receptive to your needs, concerns, thoughts, and opinions through a 24 hours a day “open door policy” to promote a high quality service by the Sheriff’s Department, and focus on the needs of all citizens across our entire county.

I will utilize all supporting government law enforcement agencies to ensure prevention and resolution of crimes. My approach to law enforcement is proactive, not reactive. I recognize the direction our county is taking in crime activity, and the impact the growth of surrounding counties will have on crime in Anson County. The chance of being a “victim” of a violent crime is greater than being hurt in an auto accident!

Your sheriff can help you from being a statistic. By trusting in God and me as your Sheriff, we wills strive for success in the years to come in law enforcement.

** Paid for by the committee to elect Davara Ponds for Sheriff.*
